

Mallet Instrument Condition Report

Instrument: Vibraphone
Make: Vander Plas
Model: E-Vibe

Notes
The notes are in mint condition, and all the pickups are working

Frame
The Instrument is heavy , so to compensate the frame has been made light weight. Structurally it is sound, but it might need a few screws tightened. There are a few minor scratches on the metal plate at the bass end, and the dust cover is slightly worn in a few places.

Resonators
Not applicable

Specific Areas of Concern
