

# Mallet Instrument Condition Report

Instrument:  
Make:  
Model:

Notes
The notes are in good condition

Frame
For its age the frame is in good condition, the varnish is beginning to wear out, which is causing the wood to dry out on the ends, and there is a little movement in the wood that the casters are fixed to, but nothing that affects the instrument as a whole. The aluminium panels are dented in places

Resonators
These are in good condition

## Specific Areas of Concern
