

# Mallet Instrument Condition Report

Instrument: Vibraphone

Make: **Premier**

Model: **OAV300**

This model of vibraphone utilises the graduated notes from the 751 series vibes, and the same speed control and motor. The difference is that it is built on a "field series" frame directed at the American marching corps market designed to be wheeled on and off football pitches. The frame is height adjustable.

## Notes

There is some minor pitting on a couple of notes, but on the whole they are in good condition and fully playable.

## Frame

The frame has been serviced and is in full working order.

## Resonators

There are some minor scratches on the resonators but nothing of concern.

Specific Areas of Concern
